Hi Norm,

I think **Deliberative Process / Ex. 5** otherwise, I think the write-up below captures the discussion.

Hi Charles and Danelle

Vince has summarized the perspectives expressed at our discussion with Tom a couple of weeks ago. Can you take a look and make sure you are okay with how he characterized things? I expect this write up will be transmitted to OPP.

Deliberative Process / Ex. 5

Thanks

Norm

Good morning. See below for the next steps on glyphosate: **Deliberative Process / Ex. 5**
Deliberative Process / Ex. 5 Please take a look at Tom's action items below and let me know if the table is ready to share. Also, can you draft the short summary of ORD's conclusions, and provide the summary of the cancer guidelines that was used at the briefing for Tom?

We'd like to get these over to OPP as soon as possible. Once I get the materials from NCEA, we can circle back to make sure that Tom is ok with the the whole package.

Thanks in advance, and please let me know if we need to discuss.

Hi Jackie –

Nice to run into you today in the food court! I talked with Tom about glyphosate, and here are the next steps:

Deliberative Process / Ex. 5

Thanks! Give me a call if you want to talk about any of this. I'll assume OSP will do the coordinating on this unless I hear otherwise from you.
